A NOTE FROM OUR PRESIDENT

I want to thank Patience Kurtz and Larry Turknnett for their efforts in planning the Presidents Ball. We had 80-90 people attend this year's event at the Timucuaana Club. It was nice to see so many past presidents and from the comments I've heard everyone had an enjoyable evening.

We also held a meeting in Gainesville in February. We had 40 people attend the meeting on acoustics in HVAC design including some 13 students. I know some of those in attendance also went to the UF basketball game and had a good time.

For our March meeting Joey has lined up Ray Algren with Bell & Gossett who will discuss "Energy Savings in Hydronic Systmes". It will be a lunch meeting at the Radisson Riverwalk (See inside for details).

In April we will hold our Spring golf outing to

benefit resource promotion. This year's chairman is John Nelson who has scheduled the event for Monday, April 14 at The St. Johns Golf & CC. So come enjoy a round of golf and help support ASHRAE Research.

Lastly I want to congratulate Ben and Karen Cole on the birth of their daughter, Hannah Grace. If any of you members would like to share any announcements with the rest of the chapter please email them to Karen who is our newsletter editor. I hope to see you all at the meetings.

Scott R. Bohn, P.E.
Chapter President
