Jacksonville Chapter of American Society of Heating, Refrigerating and Air - Conditioning Engineers, Inc.

September/October 2003

www.ashraejax.org

Volume 16 Number 2

A NOTE FROM OUR PRESIDENT

The tradition of excellence was repeated at our Chapters Regional Conference on August 15th when Jacksonville received a Presidential Award of Excellence (PAOE) with a Special Citation, Star and High Honor Roll for its ASHRAE activities in 2002-2003. Under Scott Bohn's leadership the Chapter had earned more PAOE points than any other chapter in our region. PAOE points are awarded to the chapter for activities that help Society achieve its goals of serving its members and also the general public on HVAC&R matters. Besides Scott, all of our chapter chairs received awards. They were John Nelson (Resource Promotion), John Winslow (Membership Promotion), Randy Theen (Student Activities), Rick Daber (Technical and Governmental Affairs), and Joey Robinson (Chapter Programs) and Ben Cole (Historian). Also, recognized for their continuing service to our chapter, Barney VonHerrmann and Suzanne Levisour received the Distinguished Chapter Service Awards. Both Barney and Suzanne are past chapter presidents who have elected to stay active within our chapter. I would like to challenge all of our past chapter presidents to come back to your ASHRAE "family" by attending two chapter functions this year and when you come consider bringing a guest.

On August 19th, we had our first chapter meeting of the new

Society year. We had a good turnout with Dr. Gary Siebien as our luncheon speaker. Gary provided insight on "Ten Ways to Provide a High-Quality Acoustical Environment in Schools". After lunch, the chapter hosted an ASHRAE 3 PDH credit seminar on acoustics which was presented by Dr. Siebien. In reviewing the seminar sign-in sheet, I was pleased that the over 30 people in attendance were equally divided among architects, engineers and contractors.

In September we have a Golf Outing (The Chair is Wayne Brooks @ 904.642.5303) on Monday, September 15th and a Chapter Lunch Meeting on Wednesday, September 24th 11:30 AM at the Prime Osbourne Center in conjunction with Plant Engineering Show.

In October we will again have two meetings October 7th and 14th. On October 7th in Gainesville, we will have a dinner meeting. The program will consist of our University of Florida Student Design Team presenting their entry that took second place in Society competition. On October 14th in Jacksonville, we have a lunch meeting at the Radisson River Walk followed by our IAQ Forum which carries PDH credits (The Chair is Bob Lea @ 904.3965173).

To you past presidents and other chapter members that have not been to a chapter function, come on back to your ASHRAE "family".

Ron Kessner

CHAPTER MEETING SCHEDULE

September 11th	BOG Meeting
September 15th	Golf Outing <i>Egle Harbor</i>
September 24th	Lunch Meeting <i>Plant & Engineering Show</i> <i>Prime Osborn</i>
October 8th	BOG Meeting
October 7th	Gainesville Dinner Meeting <i>Sheraton</i>
October 14th	Lunch Meeting <i>IAQ Luncheon & Seminar</i>
November 5th	BOG Meeting
November 11th	Lunch Meeting
December 5th	Oyster Roast
January 7th	BOG Meeting
January 13th	Lunch Meeting
February 4th	BOG Meeting
February 7th	Presidents Ball
February 17th	Lunch Meeting
March 3th	BOG Meeting
March 9th	Lunch Meeting
April 7th	BOG Meeting
April 19th	RP Golf Outing
May 5th	BOG Meeting
May 11th	Lunch Meeting
June 9th	BOG Meeting
June 15th--	Dinner Meeting

Notes:

1. All BOG meetings are open to the membership and are at the Haskell Building in conference room 3G from 11:30 AM to 12:55 PM
2. All Jacksonville chapter meetings are at the Radisson Riverwalk Hotel
3. All Gainesville Meetings are at the Gainesville Sheraton Hotel
4. Lunch Meetings are from 11:30 AM to 12:55 PM
5. Dinner Meetings are from 6:00 to 8:00 PM
6. Any deviations will be listed in Diffuser and on Chapter Website

TEGA

I would like to introduce myself as the local Chair of the Technical, Energy and Governmental Activities Committee and outline a couple of brief goals for this year. The primary purpose of TEGA is to provide transfer of technical information between the Chapter and the Society and the Chapter. One of the items I would like to focus on is establishing an effective way to help our members and non-members know where to locate and use the many ASHRAE standards, technical papers, position papers and research information that may be of interest to them or their work. I believe that many people are not aware of this vast amount of information, how to locate it and how it may be useful to them.

I would like to also facilitate local ASHRAE assistance or involvement with any local government groups that are interested ASHRAE related subjects. I feel this is important as Jacksonville and the surrounding communities continue to experience rapid growth, development and construction.

Finally, the Society as a whole is placing an emphasis on growing the involvement and activates of the Refrigeration Committee. This Committee is now part of TEGA and I want to help promote this effort as well.

I invite any members to contact me if you are interested in participating in the above goals or becoming a member of the local TEGA committee. You can reach me at 904-899-9343 or kliebendorfer@thestellargroup.com.

Kurt Liebendorfer

Congratulation to our Student Chapter of the University of Florida for winning second place in ASHRAE's 2003 Student Design Project Competition HVAC System Design Category. The team consisted of Jeremy Cox, Mason Gup, Doug Gwaltney, Matt Miller and Andrew Rode. The second place award is a trip for one team representative to ASHRAE's Winter Meeting in Anaheim California in January 2004. The representative will participate in a poster session on Sunday, January 25th.

ASHRAE Seeks New Faces Nominees

ASHRAE is seeking nominations for the New Faces of Engineering program, part of National Engineers Week 2004. In its role as lead society of National Engineers Week, ASHRAE launched the New Faces program last year to highlight the contributions of the country's newest engineers. Nominations are due at ASHRAE Headquarters by Sept. 26, 2003

A.S.H.R.A.E. Annual Fall Golf Outing

PLACE: Eagle Harbor at Flemming Island

DATE: Monday September 15th, 2003

Jacksonville, Florida

TIME: 11:30 A.M. Registration, Box Lunch,
driving range balls will be available
12:30 P.M. Shotgun Start

FORMAT: Lowest 2 of 4 net 80% handicap 28 max

PRIZES: First Place Team \$100.00 EA.
Second Place Team \$75.00 EA.
Third Place Team \$50.00 EA.
6 Proximity Prizes @ \$50.00 EA.

One of a Kind Opportunity

The MBA for Engineers & Scientists

Why:

- Combine your technical acumen with a top-ranked (#11) business education
- Fellow classmates are Engineers & Scientists providing deeper perspectives on business solutions relevant to you
- Additional growth & responsibility as a result of broadening education

When:

- Stay in your current job and visit campus just one weekend per month for 27 months (Saturday & Sunday only)
- Next Program starts January 2004

How:

- To apply or ask for a brochure or information session details:

Call 1-877-435-2622 opt.2

Many of the articles in this month's *Diffuser* refer to the great time everyone had at the CRC in Puerto Rico. The Chapters Regional Council (CRC) is the annual meeting hosted by one of the region's chapters where the chapter's representatives meet and conduct ASHRAE's business. There is also a lot of socializing and networking associated with this meeting.

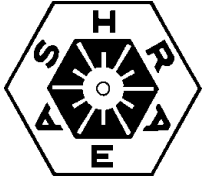

Next year it is the Jacksonville Chapter's turn to host this event. Suzanne LeViseur is the chairman for this event. Ron Kessner has volunteered to be the Vice Chairman. Many people have offered to help but have not selected an actual committee they would like to chair or be on. The following are areas where we will need assistance:

- Treasurer
- Spouse Activities
- Decorations
- Closing Function
- Technical Seminar(s)
- Entertainment

- Fund Raising
- Meals
- Welcome Party
- Registration/welcome committee
- Transportation
- Publicity

We will be holding a planning meeting on September 18, 2003 from noon to 1PM at the offices of TLC. Please RSVP to Joy Pacella at 246-0081 if you can attend or, if you can not, let her know what committee you are interested in.
